

BL Fixed 100

Wall mount, fixed

Item no.: 8411

The BL Fixed 100 is a fixed wall mount, which is characterized by its extremely simple construction.

Thanks to the construction the installation can be done quick and precise.

Screens from 15 to 24" / 38 - 61 cm can be installed. The universal VESA standard is supported from VESA 50 x 50 mm to a maximum of VESA 100 x 100 mm.

The extra flat bracket is impact and scratch resistant black powder-coated and takes up very little space due to the small wall distance of just 14 mm.

The maximum load is 25 kg.
